1. "The design of this game is amazing!! I hope I'll be able to play this game later on... " ~ 2. "An adrenaline-pumping action-RPG with a unique multiplayer element, this title retains the feel and atmosphere of the original. It offers a genuinely epic experience! - A LOT of hard-core players from our closed beta will be very happy to test it out." - SONY® PLAYSTATION®4 Blog 3. "The gameplay is really interesting, and I really like how they put in some unique strategies to the game. The fact that they let you play as a generic class is also cool because it allows for more unique tactics, like swapping your role between classes on the go or swapping weapons. It's really fun to be able to change your play style during the game." ~ 4. "It's hard to describe, but there's just something about Tarnished that makes it really hard not to want to get back into it more often than not." - Game Rant Reviews (7/10) 5. "It's easy to be drawn into the combat, the simplicity

makes the game inviting to beginners and exciting to hardcore players. The game is well balanced in terms of tactics and attacking and not overly punishing or too easy. The downside is the lack of variation of battlefields and enemies. Early in the game I can't help but be thinking "this battle has been done already", but things start to change as you get further along." ~ 6. "I have a love for the Elden Ring lore and the setting, and Tarnished is a good way to include that atmosphere in a more modern setting. It's extremely polished and fun to play. The combat is very compelling and strategic, which makes this game much more than just a hack and slash. A standout aspect of this game is that it provides many varied tactics, allowing a player to be prepared for any situation, which is pretty unique in this type of game." ~ 7. "While I'm still waiting on the conclusion of the Mo'Hare, and I'll continue to bff6bb2d33

The Dream Is Yours

This Apartment creates the mood of a luxurious inn. The walls of the pitch-black surroundings reflect little fragments of light that are emitted from the warm and cozy feeling of this home. There are one hundred and sixty one pieces of furniture. The indescribable ambience awakened by the sound effects of the wind and birds. Voices can be heard from those outside the apartment. The floorboards give off a buzz.

I feel as if we're gaining access into what's more important. Old, Tired, and yet, Blue soul.. Is located here. This time, were asked to

listen with all attention, the sense of having been here before and the wonderful feeling of surrendering one's self. Sound of the various destinations, to where we can not return. Presence of the anxiety of each one of us, feeling that we have no choice. This place is not more than a place so hard to resist. Shungakuto... ☐☐ "Send Out"

Shungakuto. The time of meeting is here. From now on, you can not turn back.

Are you sure?

That which you do not ask, will not lend me hand.

Do I have no choice?

A self-driving cab is now arriving at the gate. Please step in, and do not hesitate to greet me.

Not only safe, boring is also getting warmer.

Nameless and also intoxicating.

The feeling that there is no reason to be sorry.

Got it. In that case, I will be happy, and I also have no regrets.

I'm pleased.

Welcome to Shungakuto!!

Relax, do not hurry out. Relax yourself.

God, I want to relax like this. Damn, I wanted to be under the sun somewhere like this by the sea.

Don't be in such a hurry! Take time to enjoy time. Let time enjoy you. Don't get discouraged and depart. Let it be the beginning, not the end, that was foolish.

(He played for the Philadelphia Flyers at the time.) "I LOVE being pregnant," Spelling wrote. "Not that the rest of my life isn't perfect, but if I could tie my life into being 9 months pregnant, I'd be one very happy camper! Oh, I am so impatient, right now I can't wait for baby #3 to arrive and get this whole thing over with! I feel like a crazy person chasing these little Bean's around!" In the accompanying video that Spelling filmed, she pushed a shopping cart filled with small items, including a food cart filled with lunch as she sat on a nearby bench.
