Do you ever get the feeling that you're not spending enough time at work? Maybe you're feeling overwhelmed. Well, don't feel bad. Most of us do! That's why we offer you these tips to help you reduce your stress and achieve higher productivity. Don't work at your desk when you're feeling stressed. You won't think clearly. If you have too much to do and a deadline at hand, take an informal break instead. If you can't afford that, switch to your laptop and work in the kitchen. Sleep enough. Everyone needs 7 to 9
